RE: Nurse Aide Credentialing Program Update - Webpage

Dear Nurse Aide Client:

Credentia is excited to announce that the Credentia Nurse Aide website will be live on November 1, 2021.

The new Credentia website is dedicated to nurse aide credentialing and is simpler and easier to navigate. Your State Nurse Aide Webpage will be moved from the Pearson VUE site to the Credentia website.

Candidates who access the current Pearson VUE nurse aide webpages will see a message announcing the new website.

The nurse aide program website has moved! Credentia is the new nurse aide credentialing provider for your state, and you can find the new program page at www.credentia.com.

Please do not hesitate to contact Credentia with any questions at this time.

Sincerely,

Burrell Allen
